

Friends of FSEP

Help the local food movement grow!

Food System Economic Partnership (FSEP) is growing the local food movement across our region by connecting farmers to school, hospitals and restaurants and by providing business support services to farmers and food entrepreneurs. In just four short years we've provided technical assistance to nearly 30 farm to school programs and hundreds of farming businesses. So don't delay, become a friend of FSEP and help us bring local food to your community!
